Names: _____, _____, _____, _____

Instructions: Complete the problem solving script using as much detail as possible. Once the script is written, your group must create a 6 scene (panel) comic strip. Each step in the decision making process is a scene in your comic strip. The comic strip must be creatively produced and completed with color.

Problem Solving Script

Title (1 pt): _____

Scene One (2 pts): Describe the situation in detail.

Scene Two (2 pts): Describe 2 options.
